

Product info sheet:
glimtrex® UNIO First-Care

Product description

Initial treatment for wooden floors which are treated with glimtrex® UNIO Oil.
Based on natural oils and waxes.

Characteristics

- Increase the durability
- Reduces the risk of spots
- Easy to use

Application instructions

- Apply at the earliest after 24 hours glimtrex® UNIO First-Care pure with a mop as initial care
- Allow surface to dry thoroughly
- Your floor will get a higher durability
- Wood is a natural product. Never leave it wet or damp over extended periods as it will absorb water and change its shape (risk of swelling).
